

Brush Pick up Notice

The Village of Attica will be picking up brush and yard waste on the **THIRD** Monday of every month from April to October. For aesthetic and sweeping purposes please do not pile the brush at the road until a few days before scheduled pick up (7 days max). Brush that is not at curb side as of Monday morning will not be picked up. Brush consists of limbs and branches 6 (six) inches in diameter or smaller. Yard waste includes grass clippings, leaves, hedge trimmings, and small sticks. Bushes and root balls will not be picked up and must be removed by owner. Please keep all piles away from trees, poles and fences. Brush does not include logs or construction material. Notices will be sent to anyone that places brush at the curb before the allowed time period.

You are always welcome to bring your brush to the refuse station anytime it is open. Saturdays 8-5, and Tuesdays 2-7.

The Village also does not accept brush from trees cut down by the property owners/contractors.

If you have any questions regarding the village policy; please call the Department of Public Works at 591-0464 during working hours.

Thank you for your cooperation.
