

**TOWN & VILLAGE OF ATTICA**  
**SURVEY OF POTENTIAL INTEREST**  
**WATER SUPPLY**  
**July 2022**

The Town and Village of Attica is considering extending the Village water system and is conducting a survey of area residents to establish interest. At this point the Town and Village have not conducted a rate study to establish a quarterly fee as that will depend on the number of users interested. **PLEASE return by July 22, 2022.**

Please fill out the survey and return to the Village Office in the self-addressed stamped envelope. If you would like to fill out the survey online, please go to the following link: [Attica.org](http://Attica.org). We may contact you with additional questions.
